COURT ACTION: EP: Status Conference -

Discussion held re: the motion for class certification currently set for 7/5/19 before Judge Kobayashi and discovery matters.

Plaintiffs' counsel informed the Court they are planning to file a motion to amend complaint to add an additional plaintiff.

Given the defendants' concerns, and comments by plaintiffs, it is clear that the 7/5/19 hearing date is probably not workable.

A Status Conference is currently set for 6/19/19, and the Court will try to assist the parties with discovery issues.

Court will confer with Judge Kobayashi and inform her that it is anticipated that a motion to amend will be filed, it will be scheduled as quickly as possible, and that the discovery issues need to be resolved. This Court will recommend to Judge Kobayashi that the hearing on the motion for class certification be continued.

Ms. Turner requests that if the motion for class certification is continued, deadlines be continued as well. To the extent a continuance has an impact on those deadlines, parties may request the Court to address those deadlines.
